## Working Pack Dog Program Application Checklist

---

**Please complete this checklist and include it with your title application and documentation.**

- \_\_\_\_\_ Title Application form is completely filled out, signed and dated by the dog's owner or co-owner.
- \_\_\_\_\_ Dog's AKC registration number, PAL number, or ILP number is correctly listed and attached
- \_\_\_\_\_ If applying for a WPDA or WPDx title, a copy of the dog's WPD title certificate is attached.
- \_\_\_\_\_ All forms, photos, and maps, and documentation are initialed and labeled with the corresponding pack hike number and pack hike starting date. Attach documentation to the corresponding Working Pack Dog Program Hike Record form.
- \_\_\_\_\_ All weights, mileage, and math are double checked. If elevation gain is included in the pack hike mileage, attach the documentation and calculations (show your math).
- \_\_\_\_\_ Numbered Pack Hike Records are completely filled out, signed, and dated, with all required information listed or attached. A separate Hike Record should be included for each hike. Required information and documentation may include:
  - \_\_\_\_\_ Proof of dog's weight (if weighed by a veterinarian).
  - \_\_\_\_\_ Weight of dog's empty pack, itemized list with weights of all pack contents, and total pack weight.
  - \_\_\_\_\_ Impartial Observer form, Group Hike Impartial Observer form, and/or photographs that include trail landmarks. Photos must be labeled with hike number, hike start date, and initialed.
  - \_\_\_\_\_ Trail maps with trail routes **clearly and legibly** indicated with highlighter or colored pencil, hike start and finish locations labeled, hike direction indicated with arrows, and out-and-back trails labeled.
  - \_\_\_\_\_ Trail mileage clearly indicated on each map. Please note:
    - \_\_\_\_\_ *If trail mileage is not clearly displayed on the trail map, a properly-marked topographic map with mileage scale must be provided to verify mileage.*
    - \_\_\_\_\_ *If optional elevation gain is calculated and the trail map does not clearly indicate elevation gain in feet, a properly-marked topographic map must be provided to verify elevation gain. Attach calculations (show your math).*
- \_\_\_\_\_ Indicated if maps are to be returned, or not, when the committee is done with them
